QMB MasterScan *Basic Edition*, including BizCardReader for scanning insurance cards, special bundled price software plus scanner: \$595.00

Scanner Recommendations at Different Price Tiers:

- Fujitsu ScanPartner FI-5120C Color Duplex Scanner -- 50-page sheet feeder. 25 page per minute / 25 image per minute duplex mode. Speeds are for color or monochrome. Cost is approx \$900. A great workgroup product.
- Fujitsu FI-4340C 40 pages per minute one side, 80 pages per minute both sides. Black & White and Color. Duty cycle of 3,000 pages per day. Also purchase SIIG AP-20 SCSI Controller Card and SCSI to Centronics cable. This is fairly high-end; costs approximately \$3300.
- Hewlett Packard ScanJet 5550c – 35 sheet feeder, no duplex, 8 pages per minute, costs approx \$300. A reasonable choice for the low end budget.
- For scanning patient insurance cards by receptionist: www.bizcardreader.com. Price is \$199. Here is the URL: <http://www.bizcardreader.com/BCRScanner900c.htm>
